Special terms & provisos for concessionary under-18 group rates to apply :

Clients booking under these special terms are expected to supply all necessary minibus / coach transportation for the youngsters & all accompanying adults. Peak Activities Ltd's staff will always have their own transportation. Clients are also to supply adequate waterproofs for all the participants. In all other respects Peak Activities Ltd's normal terms and conditions of business will apply. These standard terms are published at www.iain.co.uk/terms.htm Please note of our terms regarding charges for client generated cancellations before signing our booking forms.

We regret that because extra specialised staffing may be required to safely look after people with special needs such as emotional or behavioural problems, the rates quoted above are for parties bringing along youngsters who do NOT have any challenging behaviour or special learning needs. Failure to disclose any special needs or emotional or medical or behavioural problems fully in writing at the time of booking may result in your booking being cancelled.

All we need to firm up your booking in writing is a signed booking form & your full payment with order.

We can accept **VISA** and **MasterCard** and **Switch** payments for late bookings over the phone (add 2%). Otherwise please pay by cheque crossed and payable to Peak Activities Ltd. If you require a VAT invoice issuing, we can raise a pro forma invoice marked for payment within 7 days. If invoices are unpaid after 7 days your booking will be cancelled.

Please note that a **parental consent form** is required for each youngster going out with our instructors. These forms are published on our website at <http://www.iain.co.uk/consent.htm> and need to be sent to us at least two weeks prior to your groups' arrival date.
